

CHERRY

(CHINESE COLLECTION)

CHERRY
CONTENTS

*The garden of victory full of fascination!
The scent of fascination seems to disappear like smoke
but gets only stronger
The thrill of joy like when the petals fly around
and cover your whole body
Whisper of sweet omitted with silence*

Wallcovering Proposal
Different tastes and individuality of people and their changes help you accept differences and find a way to share nature and the city in the world that is becoming more individualized than ever. Various values beyond the time and space are harmonized and integrated to create more sophisticated looks and style, adding mental values as well.
